

Adopt A Street Campaign:

All Quispamsis residents are invited to join a group of volunteers to remove litter from our roads. It can be as simple as incorporating it into a regular walk. If you are interested in being involved and targeting local litter "grot spots" please call 849-5773 and let us know which street you would like to help keep clean. Garbage bags will be provided and collected afterwards. Be a part of making the town become cleaner.
