Information Session – New Building Bylaw and Changes to the Permitting Process

Quispamsis, NB Tuesday, June 8, 2010: Last year, the province of New Brunswick adopted a new Building Code Act and are currently finalizing the regulations. As a result, the Town of Quispamsis has decided to overhaul its existing Building Bylaw and create a new version that would better reflect these major changes.

An information session for developers, contractors, surveyors, architects or anyone who performs commercial or residential work in Quispamsis are asked to attend an information session on:

Wednesday, June 9 @ 7 pm
Quispamsis Town Hall – 12 Landing Court

The proposed Building Bylaw can viewed online at www.quispamsis.ca.
