BE A SUPPORTER OF THIS POPULAR COMMUNITY EVENT

Plans are under way for our community's annual Canada Day Celebrations which will be held on Monday, July 1st, 2024. We hope that your business / organization / service group will submit an entry for this event.

Our Community Services Department is thrilled to host giant inflatables, a tasty barbeque, children's games and more. We will also have on hand professional entertainment by a variety of very talented groups.

This is a wonderful opportunity for local organizations and businesses to connect with Valley residents by providing an activity for their enjoyment.

FOOD!

Certainly, every popular event like this has lots of food. Annual participants include the Town of Quispamsis Celebrate Canada sweet, local catering companies, and more. Other groups have offered freezies, strawberry shortcake, cotton candy, popcorn, bottled water, and more! If your group would like to host a refreshment booth please let us know.

ACTIVITY BOOTH IDEAS

If your group is able to host an activity booth and would like some ideas to help get started, please feel welcome in adopting one of the following: Jelly Beans in a Jar guessing game, Football Toss through a hula hoop, Balloon Dart Attack, Penny Pitch onto the colourful board, etc.

ADMISSION

Admission to this Canada Day event is free. However, each visitor also has the opportunity to bring a donation of a non-perishable food item or cash donation for the KV Food Basket. Donations will be received at the entrance to the Quispamsis Arts & Culture Park at 12 Landing Court.
