

# Seasonal Labourer – Arenas & Pool

Town of Quispamsis

## The Opportunity

Working under the supervision of both the Arenas and Pool Operations and Projects Manager and Arenas and Pool Operations Supervisor, this seasonal entry level position involves regular inspection, general maintenance, servicing, basic repair and cleaning for the qplex, Quispamsis Memorial Arena, grounds and splash pad. This is repetitive, heavy, manual work. Additionally includes but is not limited to, the use of small hand and power tools as well as operating specialized equipment used within the Department such as forklift, scissor lift, and Zamboni.

## Key Responsibilities

- Provide excellent customer service and ensure users are complaint with the rules of the facilities
- Perform varied, general labour duties and manual tasks
- Inspect, operate, maintain, and repair ice surfaces in arenas
- Inspect, operate, maintain the pool mechanical and chemical requirements
- Demonstrate carpentry, painting and/or mechanical skills
- Preparations for various events including setting up the floor and conference area
- Follow all safety protocols as identified in the town's safety manual, including reporting safety concerns to management
- Attend work on a scheduled and regular basis
- Perform other duties as designated by manager or supervisor

## Qualifications

To qualify for this position, the successful incumbent:

- High School Diploma or successful completion of GED
- A valid Class 5 driver's license or higher and a clean driving record
- Ability to work independently; be innovative, resourceful and accountable

The following skills would be considered an asset:

- Current First Aid/CPR and WHMIS Training
- carpentry, painting and/or mechanical skills
- Previous experience and working knowledge of arenas or pools
- Possession of Maritime Arena Operator's Institute and/or Pool Maintenance and Operations Certification
